Established in 2013 during the official visit of French President Francois Hollande to China, the **French Healthcare Alliance** brings together with the support of the **French Embassy in China 125 French healthcare companies** active in China (including pharmaceutical/biotech, medical technology and e-health companies, public/private hospitals, nursing home operators, architects, collective services and training providers, research institutes, etc.).

Our aims are:

- To offer competitive and innovative products and services to meet with local China requirements;
- To develop value added medical, scientific, financial and commercial partnerships with local stakeholders: Chinese authorities at the national and local level, investors, hospitals and physicians, research institutes, etc.

The Alliance is organized around **4 thematic groups**:

1. Hospital design & management;
2. Healthy ageing & elderly care;
3. Chronic diseases;
4. Infectious diseases.

法国健康产业联盟成立于 2013 年法国总统奥朗德对中国正式访问期间，在法国驻华大馆的支持下，该联盟总共集聚了 **125** 家活跃在中国的法国企业（包括制药/生物技术，医疗科技和电子医疗公司，国有/私立医院，养老院运营商，建筑设计所，集体服务和培训供应商，研究机构等）。

我们的目标是：

- 提供具有竞争力和创新性的产品及服务，从而迎合中国本土需求；
- 同时为了加快医疗，科学，金融和商业在中国的发展而开展增值合作（中国国家 and 地方政府，投资者，医院和医生，研究所等）。

法国健康产业联盟围绕四个主题组织：

1. 医院设计及管理；
2. 健康老龄及老年护理；
3. 慢性病；
4. 传染病。
